On-line Presentation and Training of the Resource Efficient and Cleaner Production Pocket Guides for Dairy & Chemicals Manufacturing Sectors

Webinar agenda:

Speaker: Mr. Johannes Fresner

Part 1

Session 1

10.00 – 10:30 Registration of participants and testing of communication equipment and tools;
10.30 – 10:40 Webinar opening and welcome speech of the UNIDO resource efficient and cleaner production demonstrating project management;
10.40 – 10:50 Introduction: presentation dairy industry and chemical processing pocket guide;
10.50 - 11.45 Dairy industry and cleaner production , industrial processes, waste, emissions, water discharge;

11.45 - 12.00 Break

Session 2

12.00 - 13.00 Best practises in dairy industry :Optimisation of water utilization , minimization of water discharges and energy efficiency

Session 3

13:00 – 13:30 Questions and answers

13.30 - 15.00 Break

Part 2

Session 4

15:00 – 15:20 Introduction :Presentation of resource efficient and cleaner production pocket guide for chemical industry. Responsible production and chemicals handling in chemical industry

15:20 – 16:20 Resource efficient and cleaner production in chemical industry. Hierarchical approach for risk reduction.

16:20 – 16:35 Break

Session 5

16:35 – 17:15 Best industrial practices and technologies in chemical industry

Session 6

17:15 – 17:30 Questions and answers
