### Meeting objectives

The objective of the meeting is to discuss challenges and opportunities in implementing the RECP-related activities in each of 6 countries of the EaP region, reflecting on the progress made and, particularly, the best practices from operation in pandemic conditions. The following issues will be discussed during the event in detail:

- 1) Challenges with RECP assessments and implementation of measures
- 2) Working with groups of enterprises (RECP clubs, Industrial Waste Mapping, Eco-Industrial Parks)
- 3) Capacity building and Communication Issues

### Participants

The event will bring together UNIDO HQ team and the RECP Experts and representatives of UNIDO's National Implementing Partners (NIPS) within the EU-funded EU4Environment Action.

### Practical Information

The event will be held virtually on 7th July, 2021, from 09:30 to 11:30 Central European Time (CET).

### About EU4Environment

The “European Union for Environment” (**EU4Environment**) aims to help the six partner countries: Armenia, Azerbaijan, Belarus, Georgia, Republic of Moldova, Ukraine preserve their natural capital and increase people's environmental well-being, by supporting environment-related action, demonstrating and unlocking opportunities for greener growth, and setting mechanisms to better manage environmental risks and impacts.

The Action is funded by the European Union and implemented by five Partner organisations: OECD, UNECE, UNEP, UNIDO and the World Bank based on a budget of some EUR 20 million.

The Action implementation period is 2019-2022.
